

Futura MC510 w / Jar

Electronic Control Thermoblock

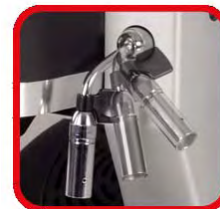

FUTURA Electronic Control is a fully featured multi coffee system with ThermoBlock heating, five filters, auto espresso connect & flow, automatic steam and hot water. Included is a double wall stainless steel ½ liter jar which has a safety lock for jug opening, and a filter for use with up to four soft pods. MC510 is an all-in-one coffee system that allows consumer to prepare the following with ease:

- SINGLE or DOUBLE ESPRESSO: Using either ground coffee or ESE coffee pods
- 1 or 2 REGULAR COFFEES: Using soft pods from Senseo, Melitta & others
- ½ LITER COFFEE: Using five soft pods

Additional features include:

- Equipped with a ThermoBlock 1600W heating system which provides on demand temperatures for both the brewing of coffee or frothing of milk for cappuccinos
- 18 Bar pump pressure (substantially above the minimum requirement of 9 bars necessary for an authentic espresso) produces a savory espresso with perfect crema every time.
- Removable 1.8 liter water reservoir that fills from the top
- Comes with five filters accommodating both single, double or multiple servings all in either ground coffee or coffee pods; large filter brews ½ liter and can fit up to five pods
- 360° rotating chrome steel turbo jet frother combined with ThermoBlock technology, a Briel exclusive, instantly produces plentiful dry steam for a thick milk froth for a cappuccino or latte
- Easy to read lights signal when machine is ready for brewing or frothing, as well as indicating the serving (single/double) and the amount of the brewed espresso
- Diering®™ System automatically eliminates residual air and reserve pressure from the boiler, avoiding dripping and increasing safety.
- Adjustable drip tray height moving up for espresso cups, as well as a removable overflow tray for easy clean up
- Clearly marked SoftTouch buttons for an easier usage

**Stainless Steel Jar &
5 serving Filter
INCLUDED**

Unit Information:

- UPC Code Steel-Silver: 7-86818-30014-2
- 13" x 12.2" x 15" 19 lbs.
- 120 volts, 1600 watts
- SRP: \$599.99
